

Understanding the Local Transient Lodging Tax (TLT) in Coos Bay, North Bend & Charleston and Coos County

Statewide TLT History & Facts:

- 2003 – The State of Oregon passes ORS 320.305 allowing the state to impose a 1% Statewide Lodging tax and setting limits on what local DMOs can spend local lodging taxes on. **ONLY New Local Taxes** subject to the 70% / 30% split per state law.
- Solidifies the split of any New taxes (instituted after July 2, 2003) at 70% to tourism promotions and tourism facilities and 30% to local taxing jurisdiction.
- **Any existing taxes are grandfathered in** at the split which had been in place prior to the law. Every municipality has a split and not all are the same!
- In Coos Bay and North Bend: 2/7th to VCB and 5/7th to the taxing entity to spend as they see fit.

Coos Bay North Bend TLT History & Facts:

- 1973 - City of Coos Bay institutes 5% Lodging Tax.
- 1983 - Joint Tourism Committee created with North Bend; North Bend begins collecting 5% Lodging Tax.
- 1990 – Committee becomes the North Bend-Coos Bay Tourism & Promotion Committee.
- 1993 – The 5% Lodging Tax Increases to 7%.
- 1997 – New agreement changes name to Coos Bay/North Bend Tourism Promotion Committee and allows for hiring staff to manage promotions.

Coos Bay North Bend TLT History & Facts:

- 2010 – The first Intergovernmental Agreement (IGA) is signed between Cities of Coos Bay & North Bend and the Coquille Indian Tribe creating Coos Bay-North Bend Visitor & Convention Bureau (VCB) and cementing the lodging tax split which had been in effect up to that point.
- The VCB receives 2/7th of the Lodging Taxes collected by each city and the Tribe.
- Funds are used to market the area under the Brand **Oregon's Adventure Coast.**

Coos Bay North Bend TLT History & Facts:

- 2018 – The City of Coos Bay contracts with the VCB to manage the Coos Bay Visitor Center (VIC) – funds for this are separate from the TLT remitted to the VCB for tourism promotion as per the IGA.
- 2019 – The IGA partners agree to increase the Lodging Tax by 2.5%. (New amount subject to 70/30 split. With existing tax split, VCB receives $\approx 39\%$.)
- 2022 – Charleston area lodging tax instituted by Coos County. VCB receives 39% of these new taxes, 31% earmarked for Charleston Visitor Center, totalling 70% as per state law. Coos County joins IGA.

Coos County BDGR Assessment History & Facts:

- 2015 – Coos County attempts to pass a County Wide Lodging Tax of 10% which failed at the Ballot.
- Bandon Dunes Golf Resort opts to Voluntarily ASSESS Lodging Clients at 6% and gives these funds to Coos County.
- Since this Assessment is not considered a Lodging Tax, it is not subject to the same TLT split.
- MOU Agreement spells out split of 70% to Coos County for Public Safety with 30% to Tourism Marketing going to Travel Southern Oregon Coast.
